授業概要	This course will focus on a practical approach to learning English conversation skills. Emphasis being placed on the students using English for study, work and pleasure.			
	到達目標	評価方法		
Students will be able to study a wide range of topical English conversation. Their studies will include oral practice of situational dialogues, listening activities, spontaneous activities and role-plays of English in International settings.		Students will be evaluated according to their homework and assignments (40%) and term exams (mid-term:30%, end-term:30%).		
学習・教育目標		(G)②	JABEE基準1(1)
