教 員 名		エドワード ナットン : Edward Nutton					
授 業 概 要	This course will focus on a practical approach to learning English conversation skills. Emphasis being placed on the students using English for study, work and pleasure.						
	到達目標			評価方法			
Students who participate in this course will be able to study a wide range of topical English conversation. Their studies will include oral practice of situational dialogues, listening activities, spontaneous activities and role-plays of English as spoken in International settings.			Students will be evaluated according to their homework and assignments (40%) and term exams (60%).				
学習・教育目標			JABEE基準1(1)
