教 員 名		エドワード ・ ナットン : Edward Nutton.					
授業概要							
	The underlying philosophy of this course will be to introduce English conversation as a rewarding, meaningful and effective means of communication. It will also endeavour to acquaint the students with some knowledge of English culture and the differing attitudes, customs and traditions of the English speaking world.						
評 価 方 法							
Students who participate in this course will be able to take advantage of a variety of activities, all designed to introduce them to the world's most major language for international communication. They will learn comprehensive listening, speaking and reading skills and be encouraged to express themselves freely, without fear of making mistakes.				Students will be evaluated according to their homework and other assignments (40%) and term exams (60%).
