学 習 上 の 留 意 点	
<p>Students will be expected to bring all of their textbooks to every class as they will need them to complete oral exercises. They can bring dictionaries but they should learn not to rely on them during class. They will also be asked to do homework in the Passport Workbook. The students should expect to be asked to recite passages from their textbook when asked. Short oral exams will occur at different times throughout the year. The class will generally be conducted entirely in English.</p>
